DESIGNING FOR MOTOR DEALERSHIPS

DESIGNING FOR MOTOR DEALERSHIPS

OUR PRACTICE

Cottee Parker Architects is a national practice operating in Brisbane, Melbourne, Sydney and Perth. We have over 180 staff with the capability to handle projects of all sizes.

Collectively, our team has over 70 years experience in the design of motor dealerships. We are experienced in designing a broad range of facilities for the automotive sector;

- Showrooms
- Service Workshops
- Detailing Facilities
- Pre-Delivery Centres
- Administration Facilities
- Training Facilities
- Facility Upgrades and Extensions

DESIGNING FOR THE AUTOMOTIVE SECTOR

Our team of specialist designers have a track record for designing state of the art automotive facilities.

Our approach demonstrates an understanding of this sector, creating customised designs that respond to key factors, such as;

- Designing for growth of your business
- Emphasis on your business operations
- Balancing the requirements of manufacturers, with your business needs
- Consolidation of business requirements within one facility
- Implementing the latest technology to assist in your sales and service operations
- Research and development into global sales and service trends and innovations
- Value management through intelligent design and finishes selections

OUR PEOPLE

Led by Kim Vojacek in Brisbane, and Daniel Potts in Melbourne, Cottee Parker have a depth of experience in the design of motor dealerships and automotive facilities. We deliver innovative design solutions that align with our clients' brief and budget.

Kim is a Director of Cottee Parker and has an extensive track record of delivering high quality project outcomes across the automotive and transport infrastructure sectors.

John has over 30 years experience in the automotive sector and has been with Cottee Parker since they were established, in 1989. John has worked on an extensive number of motor dealerships, for a majority of manufacturers and brings a wealth of experience to the team.

Aaron is an experienced architect who has successfully delivered a number of motor dealership projects throughout his career.

Daniel heads up the motor dealership unit in Cottee Parker's Melbourne Studio. Dan has worked on automotive sector projects throughout Queensland and Victoria over the past 19 years. With this depth of experience and design expertise, Cottee Parker has the knowledge to design innovative motor dealerships and automotive facilities that provide an ideal platform for the future growth of your business.
