

# COTTEEPARKER

## DESIGNING FOR EDUCATION

WE WORK  
COLLABORATIVELY  
WITH YOU TO CREATE  
INNOVATIVE AND  
SUSTAINABLE  
EDUCATION SPACES.

OUR PRACTICE

Cottee Parker Architects is a national practice operating in Brisbane, Melbourne, Sydney and Perth. We have over 160 staff with the capability to handle projects of all sizes.

We have a strong track record of delivering successful project outcomes in partnership with our clients by following a tried and tested methodology. Our focus is to achieve your goals and objectives, on time and on budget.

WHY COTTEE PARKER?

Our team is passionate about design. With vision and a collaborative approach, we are committed to creating outcomes that enhance learning.

For almost three decades our education team have developed a comprehensive understanding of emerging trends in pedagogy and their impact on physical learning environments.

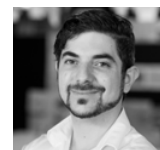

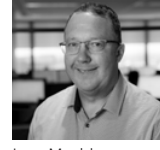

Cottee Parker prides itself on its communication skills and proactive resolution of complex project constraints. We will work with you to understand your needs in order to achieve a positive result.

As architects, we understand the built environment and how a well-designed building can assist students to achieve their full potential.

We recognise different teaching and learning patterns, the importance of preparation and collaboration, and self-generated research and experimentation. Cottee Parker are on your team.

- Extensive experience in contemporary education design, collectively delivering over 200 school and tertiary projects.
- We are committed to providing sustainable outcomes through environmentally sustainable design principles.
- We carry out comprehensive stakeholder engagement, including visioning workshops and live use of 3D modeling.
- Utilisation of BIM technology, animation, 3D modeling and Virtual Reality presentation packages.
- We have a specialist team of education designers who share their ideas in regular collaborative forums.
